

February 2026

Dear Parent(s)/Guardian:

Catholic Central High School will once again partner with FACTS Management Grant & Aid Assessment to conduct the financial need analysis for tuition assistance and scholarships for the upcoming 2026–27 school year.

For this application cycle, both the **Friends of Catholic Central (FCC) Tuition Assistance Program and The Rewald Trust Scholarship** will be offered online through FACTS.

Transitioning both scholarships to the FACTS platform will allow families to securely and privately submit financial information while streamlining the overall application process.

Families wishing to be considered for either or both scholarships must complete one online FACTS Grant & Aid application, submit the required supporting documentation, and pay a \$45.00 application fee by April 28, 2026. This single application and fee will be used to determine eligibility for both the FCC Tuition Assistance Program and The Rewald Trust Scholarship.

Applications may be completed online through [FACTS](#) Grant and Aid Management, or on our website under “Current Family Resources.”

The following documents will be required to complete the application process:

- Copies of your federal tax return, including all supporting schedules
- Copies of W-2 forms for you and your spouse
- Documentation for Social Security income, welfare benefits, child support, food stamps, workers’ compensation, and/or TANF, if applicable

FACTS also offers an IRS integration feature, which allows families to securely import tax information directly from the IRS, eliminating the need to upload tax documents manually.

We recognize that individual circumstances vary and encourage families with questions about the application process to contact the Admissions Office at (262) 763-1506.

Sincerely,

Deanna Koch
Admissions Director

FACTS Financial Aid Management

FACTS makes quality education for families by assisting schools in awarding financial aid. We work with schools to create a custom application and collect financial data so schools can make accurate award decisions based on financial need.

After completing the online application, you must provide all required supporting documentation. You may simplify and streamline the tax return submission process by using the IRS Integration feature.

IRS Integration process:

This feature is useful for applicants who meet specific eligibility criteria, such as joint filers and are applying for upcoming academic terms. Before using this feature, applicants must ensure they have an IRS.gov account, US address, and verify their personal details match their IRS profile.

How it works:

IRS Integration allows FACTS to request your information directly from the IRS. This eliminates the need to upload your tax document and speeds up the verification process.

To enable IRS integration, FACTS will submit a Transcript Information Authorization (TIA) request to the IRS. You will need to log into your IRS.gov account and approve the request. Once approved, the requested information will be sent to FACTS.

IRS integration is currently available for 1040 forms. If your application requires W-2 or other tax documents, they will need to be uploaded directly. If you just filed your taxes, it takes approximately two weeks before your information is available.

The following supporting documents are required to complete the application process:

- **IRS Federal Tax Return**, including all supporting schedules (the year of the tax return depends on the tax requirements of your school). If the applicant and co-applicant file separately, we require both tax returns for the same tax year.
- Copies of **all the current year W-2 Wage and Tax Statements** for both the applicant and co-applicant.

Note: If you are applying before you have received all the current year W-2 Wage and Tax Statements, please submit them as soon as they become available.

Note: Award decisions are made by the institution providing the financial aid, not FACTS.

- Copies of all supporting tax documents if you have business income/loss from any of the following:
 - **Business** - send Schedule C and Form 4562 Depreciation and Amortization
 - **Farm** - send Schedule F and Form 4562 Depreciation and Amortization
 - **Rental Property** - send Schedule E (page 1)
 - **S-Corporation** - send Schedule E (page 2), Form 11205 (5 pages), Schedule K-1 and Form 8825
 - **Partnership** - send Schedule E (page 2), Form 1065 (5 pages), Schedule K-1 and Form 8825
 - **Estates and Trusts** - send Schedule E (page 2), Form 1041 and Schedule K-1

Important: If you file a tax return but do not have W-2 wages because you are self-employed, you will be required to submit a copy of your current year Federal Form 1040 Tax Return.

- Copies of all supporting documentation for household Non-Taxable income such as Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and Temporary Assistance for Needy Families (TANF). If you do not file a tax return, you are required to provide documentation of all income received.

All documentation received is imaged upon receipt and then destroyed.

You may log in to your FACTS users account to review the status of your application. **Please allow 2 weeks processing time before inquiring further about receipt and/or status of the uploaded documents.** Application deadlines are set by the institution awarding the aid. If you are applying after the deadline, contact your school to ensure that your application will be accepted.

A non-refundable application fee may be required before your application will be submitted.

Note: Award decisions are made by the institution providing the financial aid, not FACTS.
