Since Catholic Central High School is a private institution, we depend on tuition to help meet our annual operational needs. To bridge the gap between our tuition and the actual cost of educating our students, we rely on generous supporters, proceeds from our annual Topper auction, member parish contributions and grants.

Additional Information

1. In Wisconsin, parents can claim a state income tax deduction for private high school tuition up to \$10,000. This is a tax deduction, which lowers your taxable income, rather than a tax credit, which would reduce your tax bill dollar-for-dollar.

2. Beyond CC scholarships, numerous outside organizations also offer scholarships. Families are encouraged to explore these opportunities directly, as eligibility and application deadlines vary.
