

# Welcome to SafeArrival and SM Home

A guide for parents and guardians to get started with the SM Home App

## Introduction

The SM Home App streamlines communication between home and school. The SafeArrival feature makes it easy to manage and report student attendance quickly and securely.

1

## Step 1: Download the App

Search for "SM Home" in the Apple App Store or Google Play Store and install the app on your device.

2

## Step 2: Create Your Account

Open the app and sign up using your registered personal email address (the one you provided to CC through your child's enrollment) to create your parent or guardian account.

3

## Step 3: Verify Your Email Address

Check your inbox for a confirmation email and follow the link to verify your account before logging in.

4

## Step 4: Log In and Link Students

Log in to your account. Your enrolled children will automatically link to your profile for easy access.

5

## Step 5: Report Attendance via SafeArrival

Use the SafeArrival feature in the app to report absences anytime. Receive real-time alerts and manage all your children from one account.
