

Bus Transportation Information

We are pleased to share that Catholic Central will have two dedicated drivers for the upcoming school year, along with a new Activities Bus to support students participating in after-school programs and athletics.

Catholic Central High School is committed to offering safe and reliable private transportation for families who need assistance getting to and from school. Whenever possible, we accommodate special stop requests, and scholarships are available to ensure transportation remains affordable for all CCHS students.

Important Notes:

- Buses will only operate on days when CCHS is in session. A full Transportation Calendar will be provided so families can plan ahead for non-service days.
- Fees are reviewed annually. Families will be notified of final rates prior to the start of the school year. Flexible payment plans are available through the Business Office (BusinessOffice@cchsnet.org).

Primary Pick-Up Locations *(Additional pick-ups (such as from your home) may be arranged when possible for a small fee)*

1. Delavan – Harbor Freight
2. Elkhorn – Burger King
3. Lake Geneva – St. Francis Parish
4. Waterford – Burger King
5. Genoa City – Fire Station

- Students residing in the Westosha Central or Waterford school districts may qualify for a **district transportation subsidy**.

To remain eligible, students must be registered with CCHS by April 15th each year.

- According to Wisconsin State law, families can be partially reimbursed for transportation by their public school district if transportation is provided by a private school such as Catholic Central. To find out if you qualify, just call your local district office and provide them with your home address and proof of enrollment at CC. This program is a great way to offset transportation costs for families who qualify!

To be eligible:

1. You must live two miles or more from Catholic Central
2. You must reside within Catholic Central's approved attendance area
3. Catholic Central must be located within the boundaries of your resident school district or not more than 5 miles beyond the boundaries of the school district measured along the usually traveled route.

2026-2027 BUS COSTS

Bus	One	Full Year
ONE WAY	\$600	\$950
ROUND	\$950	\$1,550
