CCHS History

St. Mary's High School was established in 1920 through the efforts of Father Joseph Van Treeck and the School Sisters of Notre Dame. In 1989, the school was renamed Catholic Central High School to become part of a sixteen-parish consortium. The school has since remained a college preparatory institution, implementing a rigorous, holistic, academic curriculum, while instilling life-long Christian values.

Roundtable History & Mission

In order to keep tuition at a reasonable level and continue maintaining academic, financial, and operational success, an organization known as "The Roundtable" was established in 1990. This group of champions was, and continues to be, dedicated to the success of Catholic Central by contributing millions of dollars to help sustain and propel our school into the future. Roundtable members commit to a minimum of \$1,000 each year, for five years and are eligible for exclusive, specially tailored events. Donations can be made annually, semi-annually or quarterly, depending on each donor's financial situation.
