PRINCIPAL MESSAGE

*"At Catholic Central, we don't just educate—
we connect students with a
future filled with purpose."*

*Nic Kelly
President-Principal*

At Catholic Central High School, we believe education is more than an academic experience — it is preparation for a life of purpose. Each student who walks through our doors is called to grow in knowledge, character, and faith, and it is our privilege to help guide that journey.

My philosophy as an educational leader is grounded in an unwavering belief in the transformative power of education. It is not simply about acquiring skills, but about shaping young men and women who are intellectually agile, morally grounded, and spiritually alive. At Catholic Central, we are committed to cultivating students who meet the complexities of today's world with courage, conviction, and compassion.

This vision drives everything we do. Rooted in Catholic tradition, we build a culture of excellence and community — a place where collaboration, faith, and opportunity come together. Here, students discover their passions in academics, arts, and athletics, while developing the leadership and resilience that will carry them into the future.

Ultimately, our mission is to unleash the full potential of every Hilltopper, equipping them to inspire and lead with distinction. When you choose Catholic Central, you are choosing a school where your child will be known, supported, and formed for lifelong success — not only in what they achieve, but in who they become.

I invite you to join us in this journey. Together, let us shape leaders of faith, service, and purpose for tomorrow's world.

OUR HISTORY

1860

The story of Catholic Central High School began on December 7, 1860, when three courageous School Sisters of Notre Dame arrived in Burlington, Wisconsin, answering the call to educate students in the Catholic tradition at St. Mary's Parish. With faith as their compass and just two classrooms, they laid the foundation for generations of students to be formed in mind, body, and spirit. The first school building was located at the corner of McHenry and Jefferson Streets and had 110 students in two classrooms.

1919

By 1919, the growing parish of St. Mary's recognized the need for a Catholic high school. Despite strong opposition and limited resources, Fr. Van Treeck, pastor of St. Mary's, pursued the vision with steadfast determination.

1920

Amidst the Spanish Flu pandemic, Father Van Treeck and Sister Mary Michael, SSND, established St. Mary's High School as a two-year commercial course school in the original parish church that had been used as a meeting hall by the St. Eustachius Benevolent Society. With little more than faith and determination, Sister Mary Michael built an exemplary program that set the tone for decades to come.

1925-1995

In 1925, the school celebrated its first graduating class, and by 1926, a new building was opened to meet increasing demand. There was a steady increase in enrollment from then on, peaking at more than 350 students in the late 1960's. In 1970 the high school built a new gym. In 1989, St. Mary's officially became Catholic Central High School, reflecting its expanded role as a regional high school supported by sixteen parishes across Racine, Kenosha, and Walworth counties. The early 1990's saw further transformation. The Marian Activity Center (MAC) was completed in 1993, and by 1995 a second floor expanded its academic and extracurricular facilities - now home to two gyms, Topper Hall Theater, classrooms, a library, and fitness center.

2020

In 2020, Catholic Central proudly celebrated its 100th anniversary, embracing both its legacy and its future. With state of the art technology, one-to-one iPads, and a modern college-preparatory curriculum, we continue to honor the vision of our founders. In 2021, Catholic Central formalized its affiliation with the School Sisters of Notre Dame, reaffirming our commitment to their mission of transformational Catholic education.

2025

Catholic Central High School proudly carries forward more than a century of faith-filled tradition while embracing a bold vision for the future. With new administrative leadership in place, we are invigorating our school culture and advancing plans to transform our facilities to meet the growing needs and interests of our students. Rooted in our Catholic mission and the legacy of the School Sisters of Notre Dame, Catholic Central continues to provide a Christ-centered, college-preparatory education that forms compassionate, confident leaders ready to serve the world.

STUDENT LIFE

HABITS OF A HILLTOPPER

At Catholic Central, being a Hilltopper means more than just academic success—it is about living with faith, integrity, and purpose. Our students are formed through eight guiding virtues, known as the Habits of a Hilltopper:

Each quarter, one virtue becomes a central focus through prayer, scripture, service opportunities, and “Topper Talks” from alumni and community leaders. These experiences help students put values into action, strengthening their character and preparing them to lead with confidence in every area of life.

Our beloved mascot, Harvey the Hilltopper, embodies these same virtues. Standing on the mountaintop with determination and grit, Harvey represents the resilience to overcome challenges, the discipline to keep climbing, and the joy of reaching new heights. Just as Harvey is never alone on the mountain, our students are lifted by a faith-filled community that encourages them to persevere, give generously, and grow stronger each day. Together, the Habits of a Hilltopper and the spirit of Harvey inspire our graduates to live as courageous servant leaders who make a lasting impact on the world.
