

*Thank you for believing in the mission of Catholic Central High School.  
Your generosity nurtures faith, inspires growth, and creates opportunity for every student.*

# ANNUAL FUND

*Our Goal:*  
**\$100,000**  
*by June 1st, 2026*

## Our Mission

Catholic Central High School is a private, faith-based, college preparatory community rooted in the teachings of Jesus Christ and the legacy of the School Sisters of Notre Dame. We are dedicated to cultivating each student's unique gifts through a rigorous, well-rounded education that inspires academic excellence, moral integrity, and compassionate leadership.

Guided by our vision—Catholic Central Connected: A Community Connected—we foster an inclusive environment where every student is known, valued, and empowered to lead with purpose. Catholic Central is more than a school; it is a family united in Faith, Growth & Opportunity, preparing students to succeed in college, career, and life.

## We Need Your Support

To uphold our tradition of excellence and continue providing quality programs, Catholic Central High School relies on your tax-deductible donation to help bridge the gap between tuition and the actual cost of educating each student. Your generosity plays a vital role in securing the future of our Hilltoppers for generations to come. We invite you to make a lasting impact and ensure the continued success of Catholic Central High School through your support!

## How to Give

Call us, give online, or mail your donation in the enclosed envelope.

## DAVID HILDEBRANDT

**CCHS Class of 2005**

**UW-River Falls BS in Animal Science | Class of 2012**

After high school and as a patriot, Dave was driven to serve his country in its time of need. He enlisted in the Army and served with the 32nd Infantry Division. His service included a deployment to Iraq in support of Operation Iraqi Freedom. By the time his service ended he achieved the rank of Sergeant.

Dave then attended and graduated from UW-River Falls with a degree in Animal Science. His education and love for animals led him to a career as a Dairy Nutritionist. Dave now owns a dairy consulting business. He is responsible for managing feed operations for over 10,000 dairy cows across northwest WI. Milk from his cows goes to multiple creameries that make Swiss Miss hot chocolate and award-winning Wisconsin cheese!

*"The strong academic program and Christian values taught at Catholic Central High School helped set me up for success! I am very grateful to have been able to attend such a fantastic school."*

*Dave currently lives in Turtle Lake, WI with his wife Melanie and beautiful daughter Jovie.*

## KATE KOOI (AMBORN)

**CCHS Class of 2016**

**UW Madison BS in Biology | Class of 2020**

**Marquette University MS in Nursing | Class of 2021**

Kate graduated from UW Madison with a BS in Biology and soon thereafter attended Marquette to receive her Masters in Nursing. After spending a few years working in the Emergency Department and the Cardiac Cath Lab at Aurora St. Luke's in Milwaukee, Kate took a chance on a career change and is now a Disability Underwriting Specialist at Northwestern Mutual.

While at CCHS, Kate prepared for her future by taking many life-science classes, especially those taught by Mrs. Harford. Although they were challenging at times, those courses paved the way for her career in nursing and beyond. Kate also loved the history courses offered by Mr. Meddaugh and has great memories! Kate was involved in many campus clubs, ran cross country and participated in the musicals. Above all, Kate acknowledges the importance of her faith-based high school education.

*"I am so incredibly thankful to have gone to CCHS. I know it required sacrifice from my parents, and I am so grateful for everything. Not only did I receive a solid education, but I was also able to learn and grow in my faith. Navigating college with a strong moral compass made all the difference, and I recognize the value of my faith in my personal and professional life today. Having the opportunity to celebrate my wedding at St. Mary's church was such a full-circle moment, and it really solidified my love of this community."*
