

If you aren't already participating in **Catholic Central High School's Scrip Tuition Reduction Program**, it's time to start! **You can earn money to put towards your current or future child's tuition at CC** without spending any more money than you already are on groceries, gas, clothing, home improvement, hotels, restaurants and more!

Scrip is simply a word that means, "substitute money" – in other words, gift cards from national and local retailers. They're the same gift cards you buy at the store. Many retailers participating in our Scrip program include: Amazon, Pick N Save, Berkot's, Kwik Trip, BP, Mobil, Walmart, Target, Marcus Entertainment, Kohl's, TJ Maxx, Nike, Menards, Home Depot, Arby's, McDonald's, Red Lobster, Olive Garden, Buffalo Wild Wings and over 500 more!

How will purchasing these cards help reduce my tuition costs? It's simple —participating Scrip retailers agree to sell gift cards to our organization at a discount. Families buy the cards for full face value; they redeem them for full face value; and 50% - 80% of the rebates are credited towards tuition at CC.

- After 50% of rebates earned are donated back to CC, then rebates are split 50% to the school and 50% towards tuition.
- Once \$100 is donated back to the school through rebates, then 80% goes towards tuition and only 20% comes back to the school.

Accumulated rebates are applied towards the upcoming school year's tuition on July 1st. If your child is a senior, your tuition can be credited the same year, and if you have a child that is in preschool or grade school, your rebates can even be held for future use. You may also choose to have all of your rebates applied towards another family's tuition, who is in need of assistance, or to Catholic Central.
